

Don't miss out – take part in the Stay Safe This Summer competition

Every day a child or young person just like you is badly hurt in an accident. But there's lots you can do to stop serious accidents happening. Once you know what the dangers are, you can help to keep yourself and your family and friends safe, and still have fun.

That's why we want you to design a poster, showing the dangers and telling other children and young people how to stay safe.

Can you think about accidents that can happen when you're outside playing? We've given you a few ideas here:

- **Walking to the park**

Clue: you chase a ball into the road.

- **At the seaside**

Clue: currents and tides can be dangerous if you swim out too far.

- **In the garden**

Clue: plants and berries from the garden can be dangerous to eat.

Your poster can be a painting, a drawing or a collage. You can choose to show one of the dangers above or you can think of some yourself – it's up to you!

There are four age groups for this competition:

Age 3-4 / Age 5-7 / Age 8-11 / Age 12-14

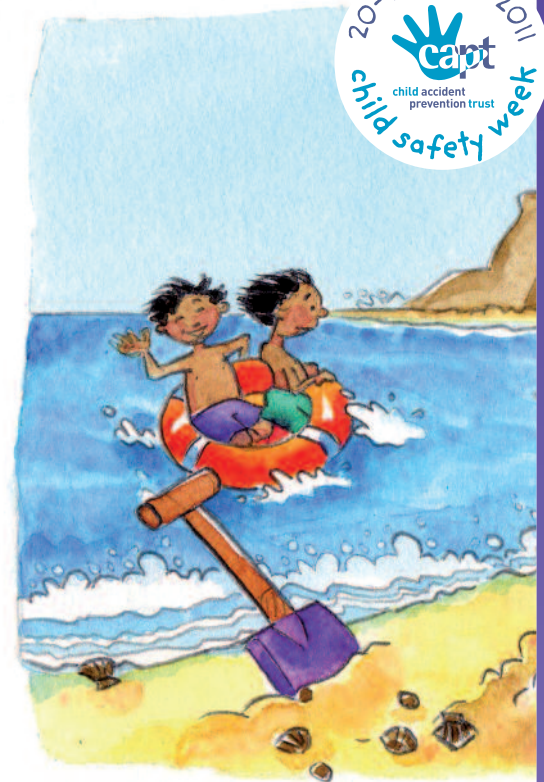

We will choose a winner from each age group. Each winner will receive a **£25 voucher** to spend on **CDs, DVDs or books**. We will also display the best posters on the Child Safety Week website.

Remember to write your name and age on the back of your poster. Send your poster, together with your completed entry slip, in an envelope to:
